Indiana Campus Compact partner institutions are offered one FREE day (up to 8-hours) of customized assistance, (e.g., multi-day institute, single-day training or workshop, keynote speakers/emcee) each academic year.

Scheduling customized assistance is based on staff availability, and even though preference is given to Indiana Campus Compact partner institutions, we receive assistance requests from across the country. In order to secure your date(s), we ask you to start your conversation about a customized opportunity with Laura Weaver, Director of Programs and Member Development (lweaver@iupui.edu, 317-274-6500) at least 12-weeks prior to the intended date of the experience. All experiences must be confirmed at least 6-weeks prior to the date of the experience. Host institutions will be responsible for all on-site logistics and marketing efforts.

Indiana Campus Compact provides professional development for faculty, staff, senior administrators, and students on your campus. Together, our staff has over 80 years of experience in the field of campus-community engagement in higher education.
