	1 Day of FREE Professional Development In-Person	8-Hours of FREE Professional Development Virtually	8-Hours of FREE Consultation Time with an Indiana Campus Compact Professional
DETAILS	Up to 8-hours (all hours taking place within one-day and done in-person, on your campus) of customized workshop(s) with one (1) Indiana Campus Compact staff member.	Up to 8-hours of Indiana Campus Compact webinar workshops / virtual meetings of your choice (over the course of the academic year). All workshops / meetings will occur via Zoom / Skype or similar web-based system, and NOT in-person/at your campus.	8-hours of Professional Consultation (over the course of the academic year) on a topic of your choice with an Indiana Campus Compact staff member of your choice. All Consultations will occur via phone, Zoom / Skype, email, and NOT in-person / at your campus.
SUGGESTED USE	Indiana Campus Compact believes that any topic or focus is available for this professional development day. Please see examples of typical topics covered here. Covering more than one topic in 8-hours may not be feasible. This option can also be used in conjunction with Indiana Campus Compact's NEW Service-Learning Institute On-The-Go option. Contact Indiana Campus Compact staff to discuss what an agenda for this option may look like for your campus or how to utilize this in conjunction with Service-Learning Institute On-the-Go.	This is a great option if you want Indiana Campus Compact to present to multiple audiences, on different topics, on different days, with the possibility of different Indiana Campus Compact staff members facilitating those virtual meetings, webinars, or workshops. Please see suggestions of the typical topics covered here. Contact Indiana Campus Compact staff to discuss this Partner Benefit Option.	Indiana Campus Compact staff suggest using this option if your campus needs to focus on a specific aspect of service-learning and / or community engagement (SL/CE) in the next academic year. For example: Planning for / applying to Carnegie's classification for community engagement; strategic planning for institutionalizing SL/CE; developing student leaders in/through SL/CE; institutional / department level program development on a specific SL/CE topic; creating an institutional-level assessment plan related SL/CE; and much more. Contact Indiana Campus Compact staff to discuss this Partner Benefit Option.

If you are interested in hosting a Customized Training at your institution, contact Laura Weaver, Director of Programs and Member Development at weaverla@iupui.edu today to begin the conversation.

THE FINE PRINT

- Indiana Campus Compact Partner Benefit Option must be used (in full) by June 15th of the academic year in which the Option was selected.
- The partner institution MUST communicate their intent to use a Partner Benefit Option by April 15th of the current academic year. Partner Benefits are non-transferable.
- Only one Partner Benefit Option per Indiana Campus Compact Partner Institution.
- Hours accrued beyond those expressly stated in each Partner Benefit Option will be billed at the normal rate for Indiana Campus Compact partner institutions. If a campus does not utilize all the hours outlined in the options above, those hours will NOT be rolled over to the next academic year.
- Indiana Campus Compact partner institutions do not need to select a Partner Benefit Option in order to receive partner benefits.
- All Partner Benefit Options are subject to availability of staff and Indiana Campus Compact resources.
- Major events hosted by Indiana Campus Compact will not be covered by the professional development options, such as, but not limited to: Connecting Campuses with Communities, Service Engagement Summit, or Pen to Paper Writing Retreat.
