RICHARD J. WOOD STUDENT COMMUNITY COMMITMENT AWARD

The Wood Student Community Commitment Award was created in 1996 in honor of Dr. Richard J. Wood who served as the founding chairperson of Indiana Campus Compact's Board of Presidents from 1992 to 1996. This award continues Dr. Wood's legacy as an advocate of students as stewards to the community, and recognize students at Indiana Campus Compact partner institutions who have demonstrated an outstanding commitment to community engagement.

COMMUNITY ENGAGEMENT PROFESSIONAL AWARD

This award was created in 2006 to honor professional staff at Indiana Campus Compact partner institutions who demonstrate an ability to effectively cultivate, facilitate, and maintain high-quality partnerships with community organizations and representatives. This award recognizes Community Engagement Professionals' knowledge and ability to conceptually, ethically, and effectively represent the foundations of the field and the breadth of community-engaged work.

BRIAN DOUGLAS HILTUNEN FACULTY AWARD

The Brian Douglas Hiltunen Faculty Award for the Outstanding Contribution to the Scholarship of Engagement honors mid to late career faculty at Indiana Campus Compact partner institutions who exemplify what it means to be an engaged scholar. Brian Hiltunen served Indiana Campus Compact for four years as a project director and helped to design our faculty development programs, prior to his death in 1999. The Hiltunen Award was established in 2000 to honor Brian's legacy and his work with faculty who are practicing the scholarship of engagement.

OUTSTANDING COMMUNITY PARTNERS OF THE YEAR

Indiana Campus Compact recognizes the incredible dedication and work that our partner institutions' community partners put into co-educating their students. We recognize that whether we talk about community service, service-learning, community-based research, or any other form of community engagement, institutions are not doing the work alone. It is only accomplished through strong partnerships with community organizations. We believe that each one of these generous agencies deserves recognition at our annual Award Ceremony and there is more to be gained by bringing them all together to celebrate than to choose one over another.
